SERVICEMAN'S CORNER:

Brother! Does this SUNSHINE ever feel good! We've had weeks of cold and rainy weather (with the usual windstorms, as you fellers will remember)--and today, the 2nd of January (which is the day I'm cutting this particular stencil)--it's warm but brisk; with just a hint of haze in the sky, warning us that winter is still with us. Brisbane even had it's few flakes of snow drifting down on New Year's Eve. And there was ice on some of the streets this morning. Yesterday the Television set showed us scenes in Sutro Forest----snow all over everything! I suppose you fellows know what SNOW is, by now. It must be quite an experience for those of you who are seeing snow for the first time, to see it in such quantities.

Some of the local Servicemen are still here on leave, but some have already returned to their bases. "Rowboat" Owens left yesterday, the 1st. Mansel took off for his snowy perch in Denver, Colorado early Sunday morning. (That's Mansel Roland--in case you haven't guessed) Bob will leave tomorrow (Thursday) for Camp Pendleton. (That's Bob Tann--or should I say SGT. TANN??) Mickey Hunter, or Sgt. Hunter, if you prefer, had to report back early, so he left at noon, Christmas Day. Curt Richards only had three days, because he took the full fifteen days last month. He left the Sunday before Christmas for his Navy base in San Diego. I understand that the Navy's Stanley Tindall was here over Christmas too--but I didn't get to see him.

The cards from the boys are still pouring in---the latest being from Phil Bellinger in Germany, and Eddie Roland in Korea. A letter came with Eddie's card---here 'tis:

SOMEWHERE IN KOREA 12/20/51

Hi, Reece:

I'm going to drop you a few lines to thank you for the Byline. I guess by now that you know the GREAT NEWS--that I am a "DAD" now! We got what we wanted, a BOY! If everything goes right, I will be seeing you all at home sometime in the next few months.

Please thank the Lion's Club for the nice fruit cake; the Fire Department and the American Legion Auxiliary, and all the rest of my friends in Brisbane, for the nice Christmas Cards, as I sure got a lot of them.

Thanks again for the Bylines, Reeces--as I think you are sure doing a great thing for the boys overseas. I know ALL the boys feel as I do. I haven't missed one copy of the Byline since I've been in Korea!

Your friend,
EDDIE ROLAND.

Well, there you have it, gang. I hope to have more news for you in the next issues. Everything is slow now. 'Bye.

YOUR EDITOR.

LOCAL SERVICEMAN FLOWN TO WASH. D.C.:

Sgt. Bob Glenn, recently returned home from the hospital in Japan, where he has been taking treatment for some time, has been flown to the Walter Reed Hospital in Washington, D.C. for further treatment.

Sgt. Glenn is the son of Mrs. Kay Ivey, of 171 San Benito Road. She is our morning bus driver here in Brisbane.

REPORT FROM BRISBANE IMPROVEMENT CLUB:

Mr. Art Kennedy, of 1160 Humboldt Road, representing both the Brisbane Improvement Club and the local Chamber of Commerce, spent quite a busy day down the Peninsula on the last day of 1951--Dec. 31st, to be exact.

He met with Capt. Grant, San Mateo County Engineer in Redwood City, and discussed the local "gutter" situation, and the drainage problem on Glen Park & Lake Streets. Kennedy also reported the condition of the intersection at Visitacion and San Bruno Road, where there has been much damage due to rains and the trucks splashing through the mud.

Kennedy next stopped into Attorney Wilson's office in San Mateo, and asked him to draw up suggested means and methods for securing sewers for the upper levels of Brisbane as well as Brisbane Acres.

At the office of Brisbane's County Water District Engineer in Burlingame, Kennedy asked for preliminary figures on cost of supplying the Acres with a proper sewage system.

The next meeting of the Brisbane Improvement Club will be on Thursday, Jan. 17th, at the American Legion Hall--at which time further discussion and information on the sewer situation will be given. All interested parties are urged to mark that date on their calendars---JANUARY 17TH, 1952--AT EIGHT P.M. AT THE LEGION HALL. Please don't miss this meeting, as it will be an important one.

CHRISTMAS SEAL PAYMENTS FALL BEHIND:

Many residents have failed to send in payments for Christmas seals mailed out by the San Mateo County Tuberculosis and Health Association, it was reported this week in Burlingame by Richard Hearst, sales committee chairman.

Hearst urges that payments be mailed at once to the association office, 115 S. Ellsworth St., San Mateo.

"Payment for each envelope of seals sent out in November is needed in order that the association may carry on its campaign to fight tuberculosis," Hearst said. (EDITOR'S NOTE: The payment is ~~$1.00 per sheet, or $2.00 for both sheets~~ of seals.)

CORRECTION ON DEATH ITEM:

We regret that due to a mistaken report turned into this office, the Byline reported the death of a local woman in error last week. We now have the correct information, and we apologize profusely for last week's mistake.

Instead of Mrs. Felix Schwendorlauf, we now learn that it was her mother, Mrs. Annie Culligan, also of 96 Eldorado, who passed away at her home on December 22nd, 1951. Mrs. Culligan had been a resident of Brisbane for the past twenty years, and was well known here.

The funeral was held on Monday, December 24th, 1951, under the direction of the Neire Funeral Home of South San Francisco, and Interment followed at the Holy Cross Cemetery.

1952 AUTO FEES NOW DUE:

San Mateo County motorists must renew their vehicle registrations between now and Feb. 4th, at any one of two dept. of motor vehicles offices, four banks, or through an automobile club if the motorist is a member. The easiest way is to appear in person at a renewal station with your "potential,"--or white renewal slip, in hand.

Renewal stations in the county are as follows: the main motor vehicle department office in Redwood City; a branch office at 1001 El Camino Real in Lomita Park (open for the first time)--the South San Francisco Bank--San Francisco Bank in Burlingame,---American Trust Co. in San Mateo---and Bank of America in San Bruno.

(It is believed here that local residents may also appear at the State Dept. of Motor Vehicles on South Van Ness in San Francisco.)

NEW YEAR TWINS FOR BRISBANE GARAGE MAN:

Upsetting all calculations of friends, families, and selves--Mr. and Mrs. Calen Wilbrech, of 54 Westview Avenue, San Francisco, are the proud parents of twin sons born New Year's morning, January 1st, 1952.

The double entry appeared on the ledgers at 6:59 and 7:05 a.m. at Children's Hospital in San Francisco, and weighed in at 4 lbs 10 oz., and 3 lbs 7½ ounces. They are named John and Daniel. Daddy is Calen Wilbrech, of W & R Service here, and Mom is the former Marie Hotchkiss.

REPORT FROM DEMOCRATIC CENTRAL COMMITTEE:

The first convention to vote for candidates before a primary election in San Mateo County history will be held in the City of San Mateo on Saturday, Feb. 2nd, 1952. This announcement was made by Roy Seagraves, county convention committee chairman of the Democratic Party.

The San Mateo Junior College auditorium will be the scene of this unique one day political event which has already attracted state-wide attention. The convention will name candidates for the following four legislative offices to which San Mateo County is now entitled under the new redistricting plan; two state assemblymen, one state senator, and one United States congressman.

Among the many unique features of the convention will be the permission granted those who are interested in running for these offices to speak for a limited time to the assembled delegates prior to the actual nominations and voting. In the voting which will follow, if no one obtains a majority on the first ballot, the two highest in the first ballot will be voted on again in the second ballot.

"By setting up this convention with each of 544 precincts in the county having the right to nominate and vote through its delegation", said chairman Seagraves, "we will be presenting to voters in the primary election next year candidates who have been selected by all sections of the county in a truly democratic way".

In addition to the precinct delegates, voting privileges will also be granted to all county registered Democrats who are elected city, county, or state officials, or who are members of the county central committee, the ninth congressional district committee, the state central and executive committees, and the national committee.

County religious officials of various faiths will be invited to pronounce the opening invocations and the closing benediction.

NO MORE PENNY POSTALS!

At the stroke of midnight, Dec. 31st, 1951, the well-known penny postal died an untimely death. From now on, it's the "two-penny" card. At midnight, by an Act of Congress, the old penny postal became one of the oddities and future rarities of the world.

From now on, any postal card, including the picture variety, must carry two cents postage. The extra penny charge was part of a series of rate increases voted by Congress in the hope of putting specific postal services on a paying basis.

Also raised in prices now are special delivery charges, some third-class rates, and registerd--insured--and collect-on-delivery fees.

About 117 million dollars in new postal revenues is anticipated from changes being made next year, and others going into effect later will mean an additional eight million dollars by 1955.

There is no change in first-class or airmail rates. Parcel post rates, which went up an average 25 per cent on Oct.1st, are not subject to further change.

Special delivery charges go up from 15¢ to 20¢ on mail weighing up to two pounds; from 25¢ to 35¢ up to 10 pounds, and from 25¢ to 50¢ for more than 10 lbs. Similar hikes will be made on special delivery of second, third, and 4th class mail.

Costs for registered mail will range from 5¢ to 25¢ higher, with hikes also scheduled for such things as extra indemn and return receipts. Third-class mail rates, other than on bulk mailings, rise from 1½¢ for each two ounces to 2¢ for the first two ounces and 1½¢ for each additional ounce.

Beginning January 1st--parcel post packages must not exceed 72 inches in length and girth combined, except when mailed between other than first-class Postoffices. The former maximum was 100 inches.

Maximum weight is being reduced from 70 pounds to 40 pounds on packages going into first and second zones, and from 70 to 20 pounds when going into zones three through eight. Second class rates, which apply to periodicals such as newspapers and magazines, start rising April first.

TIME TO APPLY FOR FOA NUMBER:

Self-employed persons should apply now for their social security account number, according to Edward J. Foley, manager of the San Mateo Social Security Field Office. A new booklet "Do You Work for Yourself?" may be obtained from the office at 517 East Fourth Ave., San Mateo. The phamphlet gives a complete explanation of the new S.S. law applying to self-employed persons, Foley said.

BRISBANE NOISY BUT SANE NEW YEAR'S EVE:

In spite of the many "Open-House" parties and the various dances and night-club celebrations, Brisbane seems to have crept out of it's bed on the First of January with nothing more serious than a slight hang-over and many slight or serious colds. The largest affair in town was at the American Legion Hall, with everyone present in good spirits and having a whale of a good time. A congenial crowd of people danced to the good music of the three-piece orchestra comprised of Bobby Fearleman at the drums, Roger Staton on the trumpet, and Johnny Riviera on the accordian. These kids have a definite future in the music world.

The 23 Club had it's usual bang-up New Year's celebration, with the customary hats, horns, confetti, and noise-makers.

So far as yours truly could see, there were no serious fights or brawls, and no reports of accidents or injuries have been turned into the Byline office. All we know is that Brisbane had a HAPPY NEW YEAR!!

TEEN-AGE DANCE HUGE SUCCESS:

Last Friday night, December 28th, saw many of the local youngsters with their pals from Jefferson High School dancing to the music played by Bobby Fearleman, Roger Staton, and Johnny Rivera. The kids were all well-behaved, and seemed to be at the Legion Hall for one purpose only ---to dance, and have fun. These dances are sponsored by the American Legion Post #473, and are free to the young people.

The next dance for the teen-agers is scheduled for Friday, January 11th, at 8:30 p.m., and will last until midnite. The dances are properly chaperoned, and no parent need fear that any kind of liquor will be allowed in the hall on that night. Also, the kids are made to sign the register at the door, giving the time of arrival--and then they must resign when they leave, giving time of departure. Any youngster who signs out during the course of the evening is not allowed to come back in the hall--unless one of the chaperones accompanies him or her to whatever place the teen-ager wishes to go during the course of the evening. The teen-agers have all agreed to this method, and are all cooperating wonderfully well. We have a bunch of well-mannered young ladies and gentlemen in this town, and any parent who desires to help out in regards the chaperoning of these dances is welcome to offer his or her services. Our slogan is---KEEP THE KIDS OFF THE STREETS---and these dances are one of the things which will accomplish that aim. The Byline has crusaded for the young people's entertainment for a long time---as we feel that if the kids are grouped in one place, chaperoned, and allowed to have fun---they won't be out riding the dangerous highways in their hot-rods and old automobiles, risking their lives, and the lives of other people on the highways. Local dances will also keep the kids of Brisbane out of the city nightclubs and dangerous private house parties.

Remember, the next teen-age dance is scheduled for Friday, January 11th, at 8:30 p.m. at the Legion Hall on Visitacion Avenue. No "outsiders", such as gangs from nearby towns or districts, is allowed at these dances!
